Dear Facebook Friends,

Over the years, several friends have told me that if I ever needed their help with the ministry just to contact them. Well, I am doing that now. I am asking you to plant a seed in the lives of those you will probably never meet. Let me explain the need.

One of our ministry outreaches is a **Trot Thru the Bible** Seminar. This 90-minute presentation gives the basic storyline of the Bible. Usually we go into a town and rent a facility to hold a one-night event. We have a number of unsaved people who come out of curiosity to see if this can be done. Many of them go away gloriously saved.

The cost for a Seminar is between \$1500 to \$3000. The majority of that cost is facility rental and printing the booklets we give away. I can't do anything about the cost of the facility, but I can, with your help, do something about the cost of the booklets.

For years, we held the Seminar without any literature. However, people kept asking for an outline they could follow and take home with them. We listened to them, and two years ago we produced our first booklets. The response to the booklets was mind-boggling. People relaxed and learned more since they had the basic notes in front of them. After the event, they could then review our notes and any notes they had taken.

There was also another effect of the booklets. Weeks and months later, we had people contact us with questions about the Bible and for prayer. They reported that they were using the booklets to guide them in their rediscovery of the Bible. Praise God, as the major purpose of this Seminar is to bring America back to the Bible.

Over the past two years, the average cost per booklet has been around \$3. At the end of last year, I realized that something must change. The cost of the booklets is a major portion of the event budget.

Here is my dilemma: I can no longer underwrite the cost of the booklets. I need your help. Currently, we print the booklets as we need them at a local copy shop, but this is why the cost is high. It costs more to print a few hundred books than a few thousand.

A few months ago, I felt impressed to meet with a local printer. I showed him the booklet, and asked him what he could print it for. He said that printing the smaller number would still be around \$3 a book. However, if he printed at least 3000 booklets, the cost would be around \$1 apiece. To me that is a "no-brainer"—I needed to raise \$3000 or stop producing the booklets. The booklets, though, have brought people into the Kingdom. The investment of \$1 per booklet is nothing when you consider that it can change the outcome of a person's eternity.

I need your help to purchase these booklets. They are not only an outline of the Seminar presentation, but they are lifelines for many to come to know the Lord. These booklets are a great tool for evangelism.

I have several **Trot Thru The Bible** Seminars already scheduled this year. The first one is February 27 in Bristow, OK, at the Freeland Center. We are estimating several hundred people in attendance at that event. I must place my booklet order by February 10 to take delivery before the event.

Unless I raise enough funds to print at least 3000 booklets, I will be faced with either paying \$3 a booklet or, worse yet, not providing the booklets.

I need your participation in the project to bring the Bible back to America. I am asking you to make a one-time donation to this special booklet project, but I need to hear from you **no later than February 9**. Together we can provide this great tool of evangelism and touch hundreds of people who would not get it otherwise.

For each person who helps me with this booklet project, I will send you—when the booklets are printed—one booklet and a CD of the **Trot Thru The Bible** Seminar. Remember, I **must hear from you by February 9**.

You can print out this page and send your offering in an envelope. OR, you may give on-line, using our secure PayPal account at www.jtmin.org/book.html.. All gifts are tax-deductible.

Thank you for making a difference in the lives of hundreds of people.
